PROCEDURE
<p>Any person contravening this Code of Conduct is advised that the provisions of the “Enclosed Lands Act” Protection Act (1901) and its Amendments will be followed if any of the following occur:</p>

- Actual physical assaults or threatened physical assaults on students, staff, parents or community members at the school or during the course of school activities;
- Behaviour in the presence of students, staff, parents or other visitors to the school that causes alarm or concern to the students, staff, parents or other visitors;
- Use of offensive language (i.e. swearing) in the presence of students, staff or other visitors to the school;
- Any interruption to the learning environment of the school such as entering classrooms without permission.

1. Approaching the School

From time to time parents or other members of the school community may need to approach the school in order to:

- Discuss the progress or welfare of their own child.
- Express concern about actions of other students.
- Enquire about school policy or practice.
- Express concern about actions of staff.

It is therefore necessary to have procedures that will help solve problems as soon as possible so that a safe and harmonious school environment is maintained.

The best results usually flow from working together.

These guidelines aim to:

- Provide a guide in order that concerns are dealt with in an open and fair manner.
- Ensure that the rights of students, staff and parents are respected and upheld.
- Support sensitivity and confidentiality.
- Help reach an agreed solution.

2. Communication Action for Parents/Carers

2.1. Academic Progress

- Directly contact the child's teacher either by email, by phone or at an appropriately agreed time, to discuss any issues.

2.2. Welfare and Care

- For minor issues directly contact your child's teacher to clarify information.
- For more serious concerns, contact the school office, state the nature of the concern and arrange a suitable time to talk with class teacher or appropriate staff member.
- To convey information about change of address, telephone number, emergency contact, custody details, health issues etc. Please contact the office by phone or email.

-

2.3. Actions of other students

- Contact the Teacher for a classroom problem or the Coach for a training problem.
- Contact the Stage Coordinator or Principal for playground problems.

2.4. School Policy or Practice

- Contact the office. ***State the nature of the concern and make an appointment to see the Principal and/or appropriate member of staff.***

2.5. Actions of a staff member

- Contact the teacher directly in the first instance.

On occasion, concerns may cause frustration and anxiety. At such times it is always important to organise a time to talk with school staff in an unhurried and confidential atmosphere.

Please Note. No parent should directly approach another person's child.

The school will deal with issues between students as part of the School's Behaviour Policy.

In very rare cases, where people wishing to express concerns, do so in an aggressive, threatening or violent manner, the Principal (or nominee) has the legal authority under the 'Enclosed Lands Act' to:

- Direct the person to immediately leave the grounds.
- Call the police to remove the person should he/she refuse.
- Withdraw future permission (by letter) for the person to enter the grounds without permission of the Principal.
- Seek further legal avenues.

3. Visitor and Volunteer Helpers

Throughout the school year teachers need volunteers to assist in classrooms, the café and around the school in many facets of education.

Parents and other volunteers assisting with activities do so on the understanding that a ***Working With Children Check*** (Check) is a prerequisite for anyone in child-related work.

Teachers are responsible for the programs operating within the classroom and/or school. The Teachers in charge have ultimate responsibility for the safety, welfare and care of the students. However, Visitors and Volunteers must;

- Accept joint responsibility for children under their care for the duration of the time at school.
- Have conduct and manners that are acceptable at all times and be an appropriate model for students.
- Refrain from smoking in the presence or sight of students – the school site is a Government non-smoking area.
- Not consume or have consumed alcohol prior to working with children.
- Cooperate with teachers to ensure the safety and welfare of students.
- Sign themselves in and out in the attendance folder in the front office.
- Wear a volunteer badge as identification whilst assisting with students.

Confidentiality is of prime concern. Parents and volunteers are not to discuss any information they obtain at school with anybody, other than the classroom teacher or the Principal.

Any visitor or volunteer helper not fulfilling these requirements may be excluded from the volunteer program.

Parents cooperation is sought and appreciated in maintaining a safe and happy school.

4. Interactions with the Public and Other Businesses that share/use this site

4.1. A detailed map identifying each business is displayed in each space.

4.2. Every business on site is aware that a school is present. The school shares this site with a preschool, Sunnyfields and Options. There is awareness of the presence of children and people with special needs.

4.3. The buildings that the school occupies are in direct vision of each other. Allowing for cross

supervision throughout the school day.

- 4.4. Persons not known to the school community are to be questioned by members of staff as to their business on the site.
- 4.5. Children are regularly advised not to interact with adults that are not part of the school community. If children are concerned, they need to report directly to an adult.
- 4.6. All visitors to the school must sign in at the front office.
- 4.7. Students are not allowed out of class unless being actively supervised or with a buddy.
- 4.8. If a student must leave class/training for any reason, they are to be accompanied by a buddy seeking permission and checking in with the member of staff upon their return.

Clear communication between the school and CCRDC when maintenance staff is on-site is imperative. This includes NAISDA with whom we are located in close proximity to.
