

Dear IFTS staff,

I wasn't sure who to send this email too, but my husband and I would like to say a huge thank you to everyone involved at IFTS.

Peta is absolutely amazing! No question is too big or too small for her to find an answer. My son delights in seeing her at "big school" and when she visits his daycare.

Servat is wonderful! Both my boys have the pleasure of her teaching them at the pre Kindy physical literacy program and they both adore her. I really appreciate her manner with the kids and at last week's fun day. My son was anxious about being a leader and pairing up with someone he didn't know. I encouraged him to talk to a teacher and he chose her and she was spectacular. We know we have made the right choice in school when she replies "That's okay. If you need to take some time today you let me know. I want you to be happy and we can do that."

Chonnie is fantastic as well! Greeting all kids with a smile and her enthusiastic nature.

Kerry and Julie are also wonderful helping me with the uniforms and the online shop.

I also had the pleasure of meeting Resli today, the Kindergarten teacher for next year.

Today, whilst waiting at the cafe for pick up, a beautiful Kinder Incredible (I think his name is Reef) said to me "are you looking for the Kinder fun days kids? They're up in the classroom doing fun things and they will be down soon." Amazing that IFTS instills that helpful nature in students.

So thank you to all staff at IFTS and keep up the amazing work you are all doing!

Many thanks
