Raffle Prizes and Year Book on sale!

It's not a speech night, it's not an awards night, it is simply an opportunity for our students and staff to give parents and families an insight into what it means to be part of this very special community.

Staff v Students

A great way to finish the year, our annual Staff v Students day saw everyone down at Gosford Tennis Centre on Tuesday morning for some great games of Tennis, then capped off with the big football match back on the IFS Football Oval.

It was a fantastic game with the Students deservingly going one nil up through some Liam Burton magic. The score went back to levels terms before the break as The Great Adam Kwasnik got on the end of a well delivered Free Kick into the area. The close contest was decided in the last 5 minutes with a clinical Daniel McBreen tap in, the Staff stretching their unbeaten reign now to 3 years in a row.

Tennis in the Holidays

by Steve Hamburger

We will be running some holiday tennis training sessions at the ITS school courts and Kariong courts starting **Monday 18th December to Friday 22nd December from 9am to 12pm.**

These sessions will be similar to our normal Academy sessions and also involve a lot of match play to prepare players for the holiday tournament schedule or just a great way to continue their training for an extra week.

Cost

The cost will be \$20 per session for ITS students or \$25 for non ITS players.

We will also be offering private lessons before or after the above times as well.

Please email or phone me on 0412027099 to book your spot as we have a limited number of places.

School Boy Open Champions and Year 6 Girls Champions

CDSSA Oz Tag

By Gavin Thomas

The 2017 Oz Tag Championships were held in Sydney in humid conditions. With 12 school participating each pool game was extremely competitive. We had a successful day with each of our four teams making the grand final; the senior and junior boys team both going down in close matches. However it was the girls time to shine with both the senior and junior girls teams winning their grand finals. A great all round effort and it is always good to bring back some silverware to

campus.

Community & Marketing Update

We hit the road in Term 3 visiting over 130 preschools across the entire Central Coast to raise awareness about our amazing K-12 school. It was fantastic to see and hear about all the wonderful things that are happening in our local Central Coast preschools.

We are very excited to share that this term we have launched the following events:

- **Parklands Neighbourhood Week** - Parklands preschool students had daily excursions to IFTS
- **IFTS Discovery Bus Excursion** - Local Preschool students experience a half day of fun at IFTS
- **Pre Kindy Physical Literacy Community Program** - One hour weekly physical literacy session hosted by IFTS Community Coaches at Kariong Youth Centre

In Term 3 & 4 we held several Kindergarten Information Morning Teas and Private Tours to give families the opportunity to hear about the amazing programs we offer.

If you are interested in finding out more about Kinder 2018 or 2019 at IFTS please contact our School Transition Coordinator Peta Fell at peta.fell@internationalfootballscool.com

Uniform Shop Holidays Times

The Uniform Shop will close on Friday 15th December and re-open at the beginning of Term 1, January 29th, 2018.

Stock will be replenished over the holiday period after which all outstanding orders will be processed in time for the start of the new school year.

Backpacks are due in early February. We will notify parents when they arrive so that you may place an order.

New families who are waiting on gear will be notified when kits have been completed.
