Principal's message

We are excited to welcome our new kindergarten teacher, Abbey, to our team. We have so many exciting things in the pipeline for our K-2 students and it's great to see so many happy faces each day around our school. For the past few weeks I have eaten lunch with students from primary and high school and have thoroughly enjoyed getting to know them. Looking forward to many more lunch time chats with our students.

Stage 6 VET students are currently working as junior assistant coaches, this role being part of their study to become competent in the Module 'working effectively with others in sport'. Having formally applied for the position by submitting a resume and cover letter, IFTS coaches appointed various students to these positions. Coaches will monitor their progress during the coming week as they run warm ups, participate in the planning of the sessions and have input into the discipline, if required, to ensure a smooth training session. At the end of their internship all coaches will evaluate each student against set criteria which will determine whether the students are competent in working effectively in the position of junior coach at IFTS.

Tennis *by Steve Hamburger*

The next few months in our IFTS program are very busy with some great events on. Next weekend we have the first of 3 Tennis tours in Forster for the Twin Towns Silver AMT and Junior Tour event. These trips are a vital part of our tennis program as we get to see the results of the students hard work in training put to use in a tournament environment. The tour will be on the 8th, 9th, 10th and 11th of June.

In July we have the invitation only Country Championships event again held at Forster. This is a prestigious 5 day event and winning your age group will result in being nominated a 2018 Country Champion.

In term 3 we have the National Primary School Games in Tamworth and it is a great chance for all IFTS students to play and support their school. This is a teams event with the major focus on participation and a fun team environment. Football students are also welcome at this event as it is fun filled and a great introduction to tournament tennis.

Our senior certificate 11 Sport and Recreation students have designed a 6-week training program and diet plan. They underwent a series of tests in week 1 and will repeat them in week 6 to track progression. They are completing 2 units at Impact gym each week; 'work effectively in sport, fitness and recreation' and 'maintain sport, fitness and recreation industry knowledge.'

PRE KINDY CLUB

Check out our last Pre Kindy Club event. Great fun for all at Master Chef.
