225 ALBANY STREET NORTH  
GOSFORD NSW 2250

(CORNER OF ALBANY ST NTH AND ERINA ST)

“Our mission is to identify those people in need and provide **immediate relief** by sourcing and **distributing food**, while caring for their **emotional, social and spiritual welfare.**”

Liberty Life House is a community service arm of Liberty Family Church that has been operating in the Gosford region since 1997.

We are able to provide immediate support for individuals and families in need. These needs are many and varied and would include circumstances where the parents/guardians have lost a job, sickness in the family or family breakdown.

We operate under a referral system whereby stakeholders including School Principals, Social Workers and Community Agencies appropriately identify the need to us, so we can arrange discreet and immediate support. We operate out of a heart to give and to serve the community all the while requiring nothing in return.

If you would like to know more about Liberty Life House or would like to visit our premises, please contact us.
