Parent Pick Up and Drop Off

Parent Drop Off – Mornings

Please drive as far forward as possible out the front of the Administration building (Building 16) and keep left. Please assist your child from the vehicle as quickly as possible. Our staff will then assist them along to the pedestrian crossing where they will continue with the next part of their morning routine. Once your child has exited the vehicle, we ask that you turn right which will enable you to then turn right again back onto The Avenue for a quick exit. Should you need to visit the College office or stay onsite we ask that you park your car near the College Café.
