The Newsletter
 Term 2 Week 5 25-29 May

Feature
Big Picture

Check out our aspiring Cardiothoracic surgeon in Year 11. We're super proud of all our students and the progress they're making towards their chosen career paths and we look forward to bringing you more of their work. [Enjoy the short video.](#)

Our Big Picture classes are completely full, however by enrolling in Year 7 now or applying for 2021, your child will be able to enter the program when they reach Year 9. Please contact our Enrolment Officer, Damien Brown at dbrown@ccsc.nsw.edu.au

Whole College News
Research Opportunity

CCSC is very pleased to be able to provide our students with the opportunity to participate in a University of New South Wales research study. Led by Dr Susanne Schweizer from the Developmental Affective Science Lab, the study will look at factors that influence the mental wellbeing of young people. Participants will complete questionnaires relating to well-being, parental style, rejection sensitivity, and interpretation bias. Tasks will also include general cognitive function as well as social functioning. The entire study will last no longer than 90 minutes and can all be done online. [Please click here](#) to find out more about the study in the detailed study information attached and also find the consent form for participation.

Wet Weather

Could all parents please ensure their child/children have spare clothes and a towel in their bags, especially during the wetter, winter season. On many occasions we're unable to accommodate student's requests for spare clothes and towels when it has been raining.

Have Your Say

CCSC are looking to gain an insight into our parents' perspectives on the College's Culture, Leadership and Academics. Please read the [attached document](#) and complete the survey to help us improve what we do. We look forward to hearing from you.

Senior College
Important Notice: Big Picture Schedule Adjustment

As we continue to improve the delivery of the Big Picture program, we would like to inform parents of students in years 9-11 in the Big Picture program of a slight change to the scheduling of meetings and exhibitions commencing this term. [Please click here for details.](#)

Immunisation Reminder

Tuesday 2nd June is when immunisation will take place at the college and we'd like to remind Year 7-10 parents about completing their immunisation consent forms and returning them to the office by Monday 1st June.

Student Leadership Team Insights

Covid-19 and the isolation period have been challenging and had an impact on everyone. The Student Leadership Team would like to provide you with some insight into how they negotiated this time and hope you find it useful to share with your child/children should they want to understand others' thoughts, experiences and strategies. Read about their experiences [here](#).

Cafe

Back on the Menu

As of Monday next week (1st June) drinks are back on the menu for our students to purchase. All the usual favourites like juices, hot chocolate, Up and Go and ice blocks also.

CCSC Cafe

Constantly busy with over 500 meals to serve each day we'd like to give our CCSC Cafe staff a big shout out. See them going about their day in this short [30 second video](#).

Sport

Meet our Head of Multi Sport

Delivering education via UHF radio to remotely located students, completing the Tarawera Ultra Marathon and a life philosophy of "Have less, Be more", [please read on to find out a bit more](#) about Tanya Brown, our new Head of Multi Sport.
