## The Newsletter

Term 2 Week 9 22-25 June

### Whole College News

#### Assistance with Pick Ups

Starting in Term 3 we are also introducing a new change to ensure students leaving early can do so in an efficient manner. Families wanting to pick up their child earlier on a particular day will need to provide prior notice. The office admin staff will make rounds of our classrooms at 2.30pm and 3.30pm to assist, if you need to pick up your child. Please note these times so that if you need to collect your child at 2.45pm for example, we will be able to collect them from the classroom at 2.30pm and they can be waiting at the office for you when you arrive. If you have any questions around these new arrangements please contact the office via email at [info@ccsc.nsw.edu.au](mailto:info@ccsc.nsw.edu.au).

### Senior College

#### Big Picture Exhibitions Overview

Term 2 exhibitions have included so much variety, both in the content presented and also in exhibition styles. We

have been privileged to have seen photo journals, videos, information boards, electronic portfolios, infographics, along with other artistic and creative ways students have demonstrated their learning. Sharing their learning with their families and carers in a relaxed and supportive environment has been a highlight, as well as seeing the growth and confidence the students have displayed.

### **Student Leadership Team**

Introducing, and congratulating newly appointed Taiden Rose and Indigo Chapman into the vice-captain role as well as Lachlan Rogers, taking up a position on the student leadership team. They have a big term ahead with lots of things planned that will help our college community.

### **Junior College**

#### **Classroom Helpers**

Next term, K-2 would love to begin using parent helpers in the classroom. We are looking for people who are patient and willing to listen to students read. **Time required:** Monday, Tuesday, and Wednesday at 10:30 am-11:00 am or 12:50 pm-1:45 pm. If you are interested in helping out on any of these days, please send me an email with your availability. [ahosgood@ccsc.nsw.edu.au](mailto:ahosgood@ccsc.nsw.edu.au)

WORKING WITH CHILDREN CHECK IS REQUIRED.

First in best dressed.

Also, Kindy is running low on playdough, coloured rice, kinetic sand and coloured sand. If anyone would like to kindly make and donate some to us, it would be greatly appreciated

### **Sport**

#### **Netball**

The Senior netball squad completed their 'Nutrition for Netball' project this week. It involved researching fuel for training, game day and health. Included was recipe research, ingredient and budget refinement and then

hitting the shops to buy the products. With that completed they then cooked up their recipes with the support and help of our college chefs, and even had some random visitors drop by to sample the finished product.

**Women’s World Cup Coming to Australia and NZ**

For those who may not have seen the news this week we are so proud to share in this exciting update that in 2023 the FIFA Women's World Cup will be hosted in Australia and NZ. Our very own Julie Dolan was in Sydney on Thursday night for the lighting up of the Opera House sails. The images on the sails (which included Julie) represented the 40-odd year women's football journey from early pioneers to current stars, and the all important coaches, fans, volunteers, grassroots, admin and family in between. It was a fantastic light show and tribute to all who have contributed to the game. For more details on the announcement read the following article:
