Term 3 Week 5 August 17-20

### Whole College News

#### CCSC Alumni

We are very pleased to bring you news of our Alumni to let you know how they're doing since graduating from CCSC. Pursuing his passion for boxing, we caught up with Bailey Mannix to preview his fight before challenging for the world title. Take a look at the action on the short video.

With recent Covid 19 restrictions placed on schools, we are working within the guidelines to ensure we are meeting demand for places in our Year 9-12 Big Picture program. We've opened up extra places for 2021 and are now conducting Zoom Information sessions for those interested in securing a spot. If you know of anyone thinking about enrolling for our Senior College Big Picture program we are encouraging early bookings for a Zoom Information session next Thursday morning at 9.30am. There is also high demand for places in 2021 in general across the whole College and whilst we're unable to accommodate tours at this point due to restrictions, those interested in enrolling are invited to indicate their interest in a tour for when they resume. Please go to our website and click on the "Book Tour" button.

### Street Wise

On Tuesday 25<sup>th</sup> August your child will have the opportunity to attend a live online class that outlines and promotes road safety education as a driver or passenger in vehicles. The class will be delivered by Bstreetsmart which is the inspiring initiative of the Trauma Service at Westmead Hospital. The purpose of Bstreetsmart is to reduce the fatality and injury rates of young people by promoting safe behaviour as drivers, riders and passengers. [Please read the letter outlining essential details.](#)

### School Hours

Parents may recall a survey a number of weeks ago when we asked for feedback about changing our operating hours. The survey has concluded and we are happy to share that the College times for 2021 will not be changing, with the overwhelming majority of

families wishing for school times to remain as they are.

The survey results were:

63.5% to keep times as they are now (9AM - 4PM)

22.5% to move times to 8.30AM - 3.30PM

14% to move to 8AM - 3PM

### **Student Leadership at CCSC**

## Caring For Our Environment

Two of our Kindy legends Scarlett & Vancouver showed great leadership this week when they took it upon themselves to grab a bag and pick up rubbish on their way to sport. Thanks for helping keep our space clean and tidy!

If you have any feedback for our student leaders please email the Principal - [pchapman@ccsc.nsw.edu.au](mailto:pchapman@ccsc.nsw.edu.au)

**Junior College**

**Female Workshops**

As part of CCSC's welfare program, the school will be running a series of workshops for female students on a variety of topics. Year 7/8 girls will be participating in their first workshop on Thursday 27th August from 9-11am. Topics covered include positive friendships, self-confidence, 'staying true to you' and working through tricky social scenarios. The girls will then enjoy a morning tea to conclude the session. If you do not want your daughter to participate please email Laura Croucher and she will arrange for them to attend class as normal on this day.

Our Design Technology students in Stage 4 have completed some of their projects. Featured below are some pin cushions from one of the sewing classes and a concrete pot from those in the plant pot making class.

Take a look at Mila's work (Year 2) produced in the Daily 5 in English. Great work from a younger student.

### Pre Kindy Club

There was a great turn out and lots of fun at our PKC netball session on Tuesday. Our Pre Kindy kids are starting to develop friendships within the group which bodes well for their transition to school in 2021. Check out our short video.
