Whole College News

Teachers for 2021

Due to continued growth CCSC are looking to recruit additional teaching staff for 2021. If you are aware of someone appropriate please encourage them to apply via our advertisement on Seek.

<https://www.seek.com.au/job/50450625>

Term 4 fee payment due Monday 14 September 2020

Just a reminder to those families who opted to pay their fees on a termly basis, your payment for Term 4 is due by Monday 14 September 2020. For those who pay via direct debit, your payments will be processed on Monday 14 September. Should you have any questions or issues please let Tracey know in advance via email

- accounts@ccsc.nsw.edu.au

Parents Helpers - Are you interested in taking part?

Recently a group of parents asked if they could help more at the college. After some discussion we have decided that a parent group will be formed and will be our first formal CCSC Fundraising Committee. The core focus of this group will be to work with the college to help raise funds for college prioritised projects. For any parents keen to get involved please email Donna

Burgess by Friday September 11 at the following email address: missdonnaburgess@gmail.com

Beyond this, if there are any parents who would like to act as classroom helpers, please email our Head of Junior College, Damian Mitchell at dmitchell@ccsc.nsw.edu.au Please indicate the days and times you are able to help and Damian can let you know where you may be able to get involved.

Our Cafe is always keen for any parents to help. If you have time during the day and would like to get involved in the operations of a proper commercial kitchen making over 600 meals a day please email our Head Chef Ash at cafe@ccsc.nsw.edu.au

Senior College

Mental Health Awareness Campaign

On Tuesday September 1st a team of students and staff will be taking part in the Mullets for Mental Health campaign run by BlackDog Institute. Over the past few weeks our team has been raising money online to donate to mental health research. They will be having their hair styled into a mullet next Tuesday (week 7) to show their support for the cause. Any donations on the day would be greatly appreciated. Or you can donate online at the link below.

Lego Robots

Stage 2 have been busy constructing lego robots and testing them out in the classroom. Take a look at the short video to see our students show off their technology skills.

<https://youtu.be/hThuVCIK6z8>

Reading Buddies

Kicking off on Friday this week and continuing throughout the rest of the year was the Reading Buddies initiative with our Year 3 students reading to the Kindy kids. Engagement was complete! We look forward to bringing you updates.

Fashionistas

Check out these students in the boxer PJ shorts they made in their Design Technology class. They are super proud of their work, as they should be. Congratulations fellas.

Girls Day

Jen Wright, one of our amazing netball coaches and all round advocate for our girls, put together an awesome program of activities for the wellbeing of our girls his week. Focused on relationships and supporting each other it was fantastic to see them so engaged and thoughtful, contributing ideas, dancing and laughing together. Along with Jo, Laura, Servet and Alex, it was a fantastic opportunity for teachers, coaches and the Wellbeing team to collaborate and spend time with our students outside of our day to day schedules. It really helps us connect with them on a different level.

Cafe

Cafe Menu for Week 6

Monday - Creamy chicken pasta

Tuesday - Thai beef salad

Wednesday - Garlic chicken with rice

Thursday - Laksa with rice noodles

Friday - Beef, tomato and onion sausage on a roll

Sport

[Please find linked a document](#) articulating our expectations of all students for preparation and participation in their sport sessions. Please note that from this coming Monday our staff will be enforcing these expectations as we continue to increase students' pride in their daily experience. If any families have questions or concerns please contact our Head of Sport - Greg Brownlow - gbrownlow@ccsc.nsw.edu.au

Hot Shots Tennis

On Tuesday, the college had a visit from Tennis NSW to present kindergarten students with a tennis racquet as part of the ANZ Hot Shots School Partnership Program. It was a great session with lots of smiles and eager participation from all. You can check out all the action here on the short video.

<https://youtu.be/Fq2Ppf5dcqQ>

There is some important information for parents about the tennis racquets presented to the students [at this link](#). We are appreciative of the support provided by Tennis NSW and ANZ to promote sport participation in children.

Netball News

The Netball NSW Metro League is one of the elite netball competitions in New South Wales, offering weekly games for the state's most talented netballers. The Central Coast Heart Netball franchise have two teams in the 2020 Metro League competition and CCSC congratulates senior netball athlete Tahnee Ball who has been promoted from the second team to the first team for the remainder of the 2020 season. Tahnee's commitment to the netball program and the extra strength and conditioning sessions in the gym have certainly paid off! Congratulations Tahnee!

Boxing

We were very privileged to have Jamie Pittman at CCSC this week to put Alexis Taylor-Davis through her paces in the gym. Jamie is a professional Australian indigenous boxer who represented Australia at the Summer Olympics in 2004 before turning pro. If you would like to read more about Jamie please go to the link below. At 10 years of age, he fell through a window leaving him with 62 stitches in his arm. It was from there that he took up boxing as part of his rehabilitation.

https://en.wikipedia.org/wiki/Jamie_Pittman

As previously mentioned Alexis has been selected for

the Futures Program team for boxing - a program targeted toward adolescent boxers who have the potential to represent their state or territory at future Australian Championships.
