

October 2020

## Parent Pick Up and Drop Off

### Morning Drop Offs

All traffic will be entering the site from the Kariong Mountains High School side of the property. Parents are directed to drive along the area next to Village Green 1 and drop off their child at the field area. We will have staff and senior students there to greet your child.

### Afternoon Pick Ups

Parents are directed to travel with the normal flow of traffic and to park out the front of our cafe or in front of The Oval. The children will be waiting on the grassed area next to the Cafe car park.
