NAIDOC Celebrations

Central Coast Sports College celebrated NAIDOC week with some great classroom lessons, games and activities throughout the week. We began with an opening smoking ceremony held by school captain Michael Whitton. We opted not to hold a closing ceremony as we intend to continue to celebrate Indigenous culture and educate our student body. A big thank you to the Lighthouse Indigenous Team for facilitating the organisation of the events. The short video of the smoking ceremony is at the following link: <https://youtu.be/1qDZMkvY0kY>

Lost Property

Please see the lost property items from Wed 28/10 to Wed 11/11. Bag 1 is on the left and Bag 2 on the right. If you recognise any of these items as belonging to your child, please contact our front office on 4302 9000.

Health4Life

It is now time for participating students to complete the third Health4Life survey. As a reminder, the trial aims to improve the physical and mental health of adolescents, whilst reducing their risk of chronic disease in adulthood. Students would have completed the program in class last year and are now invited to complete the follow up survey. This survey should take approximately 30 minutes to complete and two students from each school will win a \$100 gift card for their contribution. All intervention students will also receive access to the Health4Life app and some students will also receive access to additional booster content within the app. The survey can be accessed via <https://health4life.org.au/>. Participating students would have registered on the site using their school email address as their username and students can reset their password by clicking the 'forgot my password' link."

MT PENANG GARDENS NIGHT ROADWORKS

Bolte Civil is currently undertaking roadworks on Festival Dr and The Avenue in Mt Penang, Kariong behalf of Hunter and Central Coast Development Corporation. As the project draws closer to completion, final sealing and resurfacing works along Festival Drive and The Avenue are being scheduled. Due to the large amount of vehicle movements and increased noise required to conduct these works, it is planned to conclude the works outside of standard working hours to minimise disruption to all stakeholders and provide increased safety for workers during quieter traffic periods.

There will be a total of three nightshifts from 18 November to 27 November. Night road works hours are between 6:00pm to 5:00am, Mon-Fri. Traffic control crews will be present and vehicular access will still be possible during this time.

We appreciate your co-operation and if you have any queries or feedback about the construction works, please contact our office by phone on 4351 1512 or email info@boltecivil.com.au. Emergency contact details will be provided on information signs located at the site office.

Junior College

K-2 Celebrating NAIDOC Week

Fundraiser For Sydney Children's Hospital

In 2 weeks time Charlie Sceats will be running to raise money for the Sydney Children's Hospital. For the past two years he has completed in the 14km City2Surf event to help raise funds for sick kids. This year CCSC is helping with his fundraising efforts by organising a run at the college for students and teachers. Charlie gives details about the run in the following short video. A GoFundMe page has also been set up for donations for anyone wanting to get behind Charlie in raising money for this great cause.

Cafe

Cafe Menu - Week 6

- Monday - Penne puttanesca
- Tuesday - Butter chicken and basmati rice
- Wednesday - Beef nachos
- Thursday - Beef and potato curry
- Friday - Pulled chicken banh mi roll

Sport

Learning from the experts

Andrew Clark, High Performance Coordinator from Football Federation Australia, visited the College recently to collaborate with our football staff. Locally born and bred, it was a great opportunity to discuss the CCSC program and benefit from his expertise. Please see the short video at this link. <https://youtu.be/oGzsp9dmwc>

Representative Honours

Congratulations to Sienna Bird on her selection in the Basketball NSW Country teams for U14 Girls in both the D-League and also the Sand Slam NSW country team. The Basketball NSW U14s Sand Slam NSW country is a development tournament run by Basketball NSW designed to give the U14 junior players the opportunity to compete against the best athletes from NSW Country, NSW Metro and ACT. Fantastic achievement Sienna. Keep up the great effort.

Cricket

Congratulations to Vincent Thornley who has been selected in the Central Coast Cricket Association Representative side for the U-12s for 2020-21. He has also been selected as captain for his U-12A club team (Wyong). Both club and representative cricket seasons will be starting and we wish Vincent the best of luck.

AFL

The Representative honours keep coming with 2 more CCSC students starring in their chosen sport. Congratulations to Tyron Bird and Norm Dall who have made it into the Central Coast Academy of Sport for AFL after finishing 2nd in their season for U11. A great honour, well done boys.

Netball Trialists

Tahnee Ball & Milly Lupo trialled for the Netball NSW U19's State Emerging Talent squad today. We know they would have done their best and we'll update you on the outcome. Fantastic work, girls.
