

Hi Everyone,

It's that time of year again where we need to get orders in to ensure clothes are available for the 2023 school year.

Get your orders in by November 13th to receive your order in time for Day 1 2023 (January 30th)

There have been many improvements and changes made to the site, so please read on to make sure everything goes smoothly for you.

All Students must register against an account to order student wear, most of you would already have an account from last year.

If you are new to the school or haven't had a fitting before, we highly recommend having a fitting. [Book a fitting](#)
